Investment Club	This is an incredible opportunity for students to gain valuable knowledge and hands-on experience with market analytics and investment strategies. Meetings are held in Mr. J's room building 12 room 15. By using our market simulation tool, participants will have the chance to engage with real-time market data. As the stock market opens, closes, and fluctuates, so will our members' simulated portfolios, giving them an authentic experience of market dynamics. Throughout the year, the Investment Club will cover key topics, including essential market vocabulary, portfolio diversification strategies, and advanced analytics. We'll also discuss how everyday news and historical events impact market fluctuations, providing a well-rounded understanding of market trends. In addition to these exciting discussions, we'll have the privilege of hearing from professional leaders in the financial world, such as Certified Financial Planners (CFPs), Certified Public Accountants (CPAs), and wealth management experts. Their insights will provide valuable lessons on navigating the market and how their expertise can be applied to our own financial decisions. Building on last year's success, we're aiming for even greater achievements this year, with more in-depth analysis and expanded exposure to the financial world.	Mr. Orlewicz	orlewijz@scps.k12.fl.us
